

# STRATHAVEN ACADEMY

## ACHIEVEMENTS

2018-2019

## Head Teacher's Message

Session 2018-2019 has proven to be another tremendously successful year for the pupils of Strathaven Academy.

While we celebrate the academic achievements of our pupils at our award ceremonies, we also wish to celebrate and recognise the amazing skill and talent our pupils demonstrate through a broad range of activities, from sport, music, photography and art to fundraising and volunteering.

Strathaven Academy encourages every young person to become involved in activities that not only develop confidence and self-esteem, but also provide a sense of achievement and enjoyment. We are proud of what every young person achieves, no matter the discipline or the level.

Whether the achievement is in school, the local community, or at a Scottish, national or international level, we understand the commitment, effort and dedication required to achieve such high standards.

We also pay tribute to our parents/carers and acknowledge the time and energy that are required to support young people participating in these activities and events - their achievements would not be possible without the encouragement and support of family members.

In the years to come, we look forward to hearing of further successes and triumphs as our pupils challenge themselves to be the very best at whatever they choose.

Congratulations and good luck.

## PERFORMING ARTS

### Burns Supper Performance

Skarlett B	Poetry	January 2019
Amy C	Voice
